Videos to be shown at GSA.docx; GEOS 4V08 S20 Syllabus.docx;

Ning

Please add the attached to any handouts you plan for the workshop. Please also bring these 2 videos to the workshop in case we have trouble with internet. Please also include GEOS 4V08 Syllabus (attached) as part of handout.

I am finding out if there will be a digital projector and screen in the room.

I will find out how many have signed up for our course and let you know.

Thanks

Bob
